

# SV59-3

## Class 3/Level 2 Surveyor Heavy Duty

ANSI/ISEA 107-2010

Class 3 safety vests are designed to protect the worker with maximum visibility. These vests are designed with the most Hi-Viz material coverage and reflective stripes for workers exposed to complex work environments. Class 3 vests are required in environments with high-speed traffic, high-risk environments and where the worker must be visible through a full range of motions at a minimum of 1280 feet (390 meters).

### Surveyor Class 3 - Heavy Duty

Heavy Duty Contractor Surveyor's vest with large back "plan" pocket. Built with rugged ANSI 107 HiViz material, reinforced wear points, and long-wearing web reinforcement along outer edges. Mesh upper and sleeves, front and back, for breathability and comfort. Pockets in tough woven twill fabric provide maximum durability.
