

SV55

Heavy Woven Two-Tone Engineer Vest

TYPE R / CLASS 2

ANSI/ISEA 107-2015

WINNER!

2015 ISHN Reader's Choice Awards

This is a very heavy duty version of a standard Class 2 Surveyor vest, intended for professional Field Engineers and Construction Superintendents. Rugged Oxford material in front provides resistance to tough working conditions while supporting extra weight in cargo pockets. Reflective material is utilized for reinforcement edge binding further enhancing nighttime visibility. Includes numerous multi-function pockets, configured specifically for upside down paint, water bottles and tablets.
